

Introduction

The purpose of this policy is to provide recognition for:

- long-serving members who have retired; and
- delegates or other members who have played an active role within the branch and have stood down from their role prior to retirement.

Retirement - Branch Life Membership

Members shall be entitled to qualify for branch life membership subject to meeting the following criteria:

- A member who has made outstanding efforts to promote member participation in the ASU with more than 20 years service.

and

- Has held a National Office or a Branch Office position inc. Delegate, Branch Executive, Branch Conference, National Conference or been an active member.

Approval of life membership is conditional on the ASU Branch Executive Committee of Management being satisfied that the nominated person has been an active member who has complied with the rules of the union.

Recognition of active role in the branch -
