

Women's March

We're rallying and marching this International Women's Day (IWD) and we'd love you to join us.

There's plenty for us to focus on this IWD— a COVID recovery that works for women, gender pay inequality and sexual violence against women that goes right up to the halls of our democracy.

Come along and listen to some great speakers and share in some solidarity. We invite everyone regardless of gender to attend.

A BBQ will also be provided by our friends at the AMWU.

This will be a COVID safe event with appropriate distancing, hygiene and contact tracing arrangements.

If you could arrive by 12:15pm to sign in, that would be great.

12:15pm Monday 1st of March 2021

Parliament Lawns Hobart
